**HIGHWAY PROGRAM SUMMARY
ILLINOIS DEPARTMENT OF TRANSPORTATION
DISTRICT 7, EFFINGHAM**

Overview

Highway District 7 encompasses 14 counties in southeastern Illinois and includes the cities of Effingham, Mount Vernon, Vandalia and Centralia, plus many smaller communities, which serve as satellites for the larger employment areas or as focal points of this farming area. The state highway system in District 7 consists of 1,338 miles of highways and 724 bridges, supporting 7.4 million vehicle miles of travel daily.

State Program

The program for state and local highways will average \$1.186 billion annually for the FY 2005-2011 period. Approximately \$223 million will be provided during FY 2005-2011 for improvements to state highways in District 7. The following table summarizes anticipated accomplishments on the state highway system in District 7 during this time frame.

FY 2005-2011 Accomplishments

Interstate Rehabilitation (miles)	39
Interstate Bridges (number)	5
Other Bridge Rehab/Replace (number)	27
Resurfacing/Widening (miles)	238
Major Highway Construction (miles)	11
Traffic/Safety Improvements (locations)	49

Major projects of interest that are tentatively scheduled during the FY 2005-2011 time frame include:

- **Interstate 57/64 at Veterans Memorial Drive in Mt. Vernon.** Construction of a new interchange and associated work are programmed during FY 2006-2011 at a cost of \$3.6 million.
- **US 45 from Illinois 37 south of Effingham to Louisville in Clay County.** Resurfacing and related work on the 6.6 mile section from Bible Grove Road to the north corporate limits of Louisville are anticipated to be on a summer 2004 letting. Resurfacing, bridge replacement, land acquisition and horizontal and vertical realignment on the 11.4 mile section from south of Effingham to Bible Grove Road are programmed during FY 2006-2011 at a cost of \$10.5 million.
- **US 50 over the Wabash River at Vincennes, Indiana.** Bridge painting is programmed during FY 2006-2011 at a cost of \$6 million. Indiana is the lead agency with Illinois sharing equally in the cost.
- **Illinois 15 over the Wabash River at Mt. Carmel.** Bridge replacement, construction of the Illinois approach roadway and removal of the existing bridge are programmed as a Major Bridge Program project during FY 2006-2011 at a cost of \$26.3 million. Construction of this bridge is contingent upon securing special federal funding over and above regular formula funds. Illinois is the lead agency on this project. Indiana and Illinois will share equally in the remaining cost for the new bridge and removal of the old structure. Indiana will be responsible for funding the additional approach structures required on the Indiana side of the Mt. Carmel Bridge.
- **Illinois 33 from Salt Creek in Effingham to West Avenue in Newton in Jasper County.** Resurfacing on 10.3 miles, new shoulders, bridge replacement and associated work from Salt Creek in Effingham to the Effingham/Jasper County line are programmed in FY 2005 at a cost of \$8 million. Resurfacing on 11.3 miles, new shoulders, railroad crossing improvement and associated work from the Effingham/Jasper County line to West Avenue in Newton are programmed during FY 2006-2011 at a cost of \$8.1 million.

- **Illinois 33 from west of Oblong to Howard Street in Robinson.** Resurfacing and related work on 10.7 miles from west of Oblong to Howard Street in Robinson is programmed during FY 2005-2011 at a cost of \$8.8 million. Of this total, land acquisition from west of Oblong to Robinson and resurfacing on 1.4 miles from the west corporate limits of Robinson to Howard Street are programmed in FY 2005 at a cost of \$750,000.
- **Illinois 161 from Park Lane Drive in Centralia to Interstate 57.** Land acquisition for four lanes is programmed during FY 2006-2011 at a cost of \$1.4 million. Construction is not currently funded.
